Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: name, surname, email address, contact details, cookies, usage data.

Other Personal Data collected may be described in other sections of this privacy policy or by dedicated explanation text contextually with the Data collection.

The Personal Data may be freely provided by the User, or collected automatically when using this Application.

Any use of Cookies - or of other tracking tools - by this Application or by the owners of third party services used by this Application, unless stated otherwise, serves to identify Users and remember their preferences, for the sole purpose of providing the service required by the User.

Failure to provide certain Personal Data may make it impossible for this Application to provide its services.

Users are responsible for any Personal Data of third parties obtained, published or shared through this Application and confirm that they have the third party's consent to provide the Data to the Owner.

Mode and place of processing the data

The Owner processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the site (administration, sales, marketing, legal, system administration) or external parties (such as third parties technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Data Controller at any time

Place

The Data is processed at the Data Controller's operating offices and in any other places where the parties involved with the processing are located. Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- ✓ Users have given their consent for one or more specific purposes. Note: Under some legislations the Owner may be allowed to process Personal Data until the User objects to such processing ("opt-out"), without having

to rely on consent or any other of the following legal bases. This, however, does not apply, whenever the processing of Personal Data is subject to European data protection law;

- ✓ provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- ✓ processing is necessary for compliance with a legal obligation to which the Owner is subject;
- ✓ processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- ✓ processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

Retention time

The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document, and the User can always request that the Data Controller suspend or remove the data. Once the retention period expires, Personal Data shall be deleted. Therefore, the right to access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Services, as well as for the following purposes: Contacting the User (contact form), Analytics, RSS (Really Simple Syndication) Feed management (it is a type of web feed which allows users to access updates to online content in a standardized, computer-readable format).

The Data may be collected, with your prior consent, to send you commercial notice.

The Data will be collected for statistics purposes. The services contained in this section enable the Owner to monitor and to analyze web traffic and can be used to keep track of User behaviour. Please have a look at the Cookie policy for more information.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Contacting the User

Contact form (this web site)

By filling in the contact form with their Data, the Users authorize this Web site to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header.

The rights of Users

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following:

- ✓ **Access their Data. (art. 15 REG. EU 2016/679)**
- ✓ **Verify and seek rectification (art. 16 REG. EU 2016/679)**
- ✓ **Restrict the processing of their Data (art. 18 REG. EU 2016/679)**
- ✓ **Have their Personal Data deleted or otherwise removed (art. 17 REG. EU 2016/679)**
- ✓ **Withdraw their consent at any time. Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.**
- ✓ **Receive their Data and have it transferred to another controller (art. 20 REG. EU 2016/679).**
- ✓ **Lodge a complaint. Users have the right to bring a claim before their competent data protection authority.**

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner at the following email address:

info@eurolabanalysis.com

These requests will be addressed by the Owner as early as possible and always within one month

Cookie Policy

This Web Site uses Cookies. To learn more and for a detailed cookie notice, the User may consult the [Cookie Policy](#).

Legal action

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Additional information

In addition to the information contained in this privacy policy, this Web Site may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Web Site and any third-party services may collect files that record interaction with this Web Site (System logs) use other Personal Data (such as the IP Address) for this purpose.

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please feel free to write at the following email address: info@eurolabanalysis.com

Changes to this privacy policy

The Owner reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page and possibly within this Web Site and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

Definitions and legal references

Personal Data

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data

Information collected automatically through this Web Site, which can include: the IP addresses or domain names of the computers utilized by the Users who use this Web Site, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Web Site with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Web Site who, unless otherwise specified, coincides with the Data Subject.

Data Subject

The natural person to whom the Personal Data refers.

Data processor (or Supervisor)

The natural or legal person, the public authority or other body which processes Personal Data on behalf of the Owner

Data Controller (or Owner)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of Web Site.

This Web Site

The means by which the Personal Data of the User is collected and processed.

Service

The service provided by this Web Site.
